

August 24, 2018

Hon. Stacy L. Ruble, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Mr. Ruble:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050.25, I am submitting today copies of revised First-Class Mail International Billing Determinants for Quarter 4 of Fiscal Year (FY) 2017, and Quarters 1 and 2 of FY 2018.¹

I have uploaded electronic copies of these three files to the Public Periodic Reports folder on the United States Postal Service Secure Large File Transfer Web Application portal. These files replace the First-Class Mail International subparts of the Quarter 4, FY 2017, and Quarters 1 and 2, FY 2018, Market Dominant Products Billing Determinants previously transmitted to you on November 27, 2017 (Quarter 4 of FY 2017), March 1, 2018 (Quarter 1 of FY 2018), and May 30, 2018 (Quarter 2 of FY 2018).

Previous versions of the First-Class Mail International Billing Determinants incorrectly distributed volume by country group and weight step using the special weights report. That has been corrected in the files transmitted today.²

If you have any questions regarding this submission or the discussion above, please do not hesitate to contact me.

Best regards,

/s/

Kara C. Marcello
Attorney, Pricing and Product Support

cc: Ms. Taylor

¹ Please note these revisions do not impact the First-Class Mail Billing Determinants for these quarters.

² Nearly all of the volume and revenue cells in each of the three files have been revised compared to the previous versions transmitted.
